Youth from CUMC will participate in **Summer Games University** - a Christian camping experience designed to help youth begin and develop an active and live-changing relationship with Jesus Christ.

This is an experience where biblical events and practices are shown through creative worship experiences such as invitational opportunities to receive Christ as Lord and Savior, prayer with the laying on of hands, foot washing service, crucifixion pageant, etc. Centered on these experiential worship services, biblical pastoral teaching and the leadership provided by a staff of volunteers, Summer Games University encourages young people to live lives based on the Great Commission of Jesus Christ. Youth will share their experiences during worship next week. A **special thanks** to all in the congregation who have donated to this ministry.

CUMC Singles Group will meet at Le Claire Park today (Sunday) for the summer music concert. The evening starts at 7:00 PM with the Barehanded Wolfchokers (good ole fashion Dixieland music). Please bring your lawn chair and a snack to share with the group. Questions can be addressed to Donna Mesmer at 391-6337.
